- Capability to create dynamic and responsive websites through proficiency with WordPress handling and web programming languages (HTML, CSS, JavaScript, PHP).
- Strong ability to communicate project requirements clearly and to deliver updates on schedule, ensuring productive client collaboration.
- Established ability to prioritize work to meet deadlines, as well as expertise in marketing services and enhancing freelancer profiles to attract clients.

RECOMMENDATIONS

Name: Prodigy InfoTech | Web Developer

I highly recommend Mudassar Nazir from GCUF for his exceptional performance during his Web Development internship at Prodigy InfoTech. He demonstrated strong technical skills, problem-solving abilities, and a proactive work ethic, consistently exceeding expectations. His attention to detail, creativity, and commitment set him apart. I am confident he will excel in future opportunities.

Best regards,
Devan Chopra
Software Engineering Manager
